Summary

- Hello there! I'm Harsh Parmar, a second-year student at VIT Bhopal University pursuing a B.Tech in CSE Core.
- An enthusiastic front-end web developer who is currently learning how to create websites using HTML, CSS, JavaScript, and bootstrap.
- A passion for Management, innovation, and web development.
- I'm always up for doing new activities, getting to know new people, and learning new things.
- I'm motivated to learn, develop, and achieve in the information technology field, and I enjoy investing in stocks and conducting company research.
